

# Lake Champlain Corridor 2010

## Fascinating, Fun and Flexible Itinerary in the Adirondacks!!

Your Group Trip is certain to be a success with Two of America's Oldest Attractions and Two great Best Western Properties!

*Fort Ticonderoga*

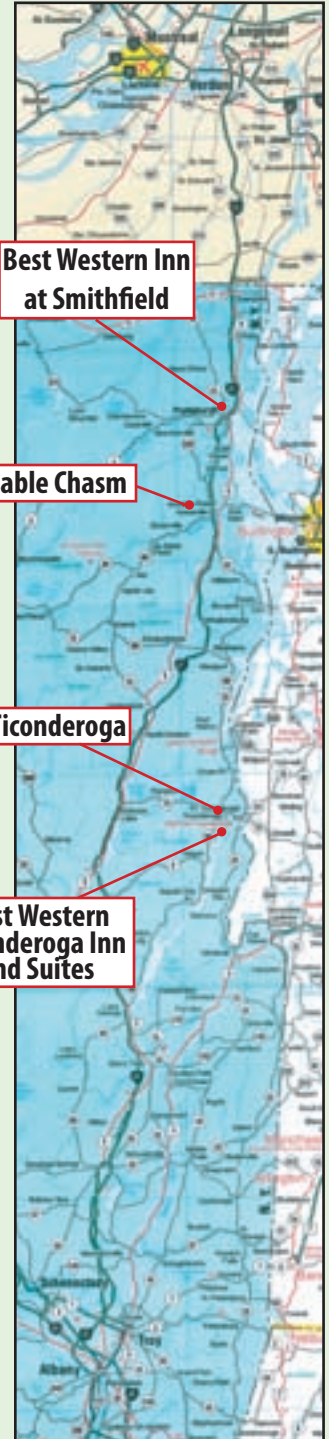

*Ausable Chasm*

- Inspiring history and beautiful scenery combine with lovely comfortable hotels offering your guests all the amenities they expect.
- Dining options abound with restaurants at all four locations.
- Guided and self-guided tours & knowledgeable staff!
- Convenient to I-87, the Northway, and to the Crown Point Ferry Crossing\* into Vermont. And a beautiful drive along the Lake!

With just 45 miles between venues, both can be visited in a single day with a hotel stay on either end! Begin your morning at the hotel with a complimentary continental breakfast. Then off to adventure! We suggest at least 3 hours for your visits to Ausable Chasm and Fort Ticonderoga. That allows time to really enjoy each site and visit the gift shops with an hour travel time in between. Whether you're traveling Northbound or Southbound, the day ends at a great hotel along with a lovely dinner. So, get off the highway and see what the Lake Champlain Corridor has to offer you and your guests in 2010!

## America's First & Favorite Vacation Spots with Comfortable and Convenient Hotels! An itinerary that is easy for you & perfect for your groups!

This one or two night itinerary pairs America's two oldest vacation venues with first-class accommodations, meal options and more to make a memorable trip for your guests.

**Ausable Chasm** and **Fort Ticonderoga** embody the stunning beauty and inspiring history of the region. These stalwarts of the American Vacation offer modern amenities and 21st-century fun in the unspoiled wilderness of the Adirondack Park. The Best Western partners will pamper your guests with all the creature comforts they expect! Your visit to the North Country isn't complete without a drive along Lake Champlain. Get off I-87 and enjoy the scenic route between these partners instead!

- Use as an extension or option to your visit to the Lake George area. Great for a 'leaf-peeper tour' and convenient to crossings into Vermont.
- Perfect for students, active or older seniors, each attraction has a range of tours and program offerings
- Directly on the Albany to Montreal route: Exits 28 & 38 of the Northway.

**Ausable Chasm:** Step back in time as you walk in the midst of a primeval Adirondack Forest. Stroll past Rainbow Falls, Elephant's Head, Column Rock, Hyde's Cave and the eerie quiet of Mystic Gorge. Enjoy a casual stroll along the rim or descend into the chasm to walk on natural stone walkways. Experience our Classic Tour by adding a scenic float ride on the Ausable River that winds through a maze of breathtaking rock formations sculpted over thousands of years by the river's currents. Guided and/or self-guided tours, restaurant, gift shop and plenty of free parking. [AusableChasm.com](http://AusableChasm.com)

For 100 years **Fort Ticonderoga** has been keeping alive the history of the French & Indian War and the American Revolution. Inspiring and fun your group will enjoy costumed interpreters, tours, world-class 18th-century collections, artillery and colonial living demonstrations. In the summer months the Fife & Drum Corps perform and encampments during the summer. On the shore of beautiful Lake Champlain, the Fort is popular with all ages and especially appreciated by military and retired service people! Log House Restaurant, Museum Store, free coach parking.
